SPOTLIGHT ON PUBLIC-PRIVATE PARTNERSHIP

"The biggest barriers into the energy sector are entrance exams. They're highly dependent on math skills. BeLit has provided test-prep for PECO's Helper Program for about 3 years now. We started out with a 28% test pass grade. After BeLit helped us out, we were at 88%. That's a 60% bump! So, they've nailed their spot as a top pre-apprenticeship partner."

KEITH HENDERSON

Manager of Technical Operations,
PECO Workforce Development Team

DISTINGUISHED ALUMNI AWARD

"Beyond Literacy works. They gave me the opportunity to start with PECO. Last year I didn't think I would be doing anything like this. I'm really extremely proud. Beyond Literacy has a staff that will never let you down. Just keep working with them and you can achieve."
